That was just a little while ago...

My parents, researchers for a pharmaceutical company had left Japan a month before

I fully enjoyed the peacefulness of this solitary life, and my money was sent to me in strange parcels

Within each letter was only a single word

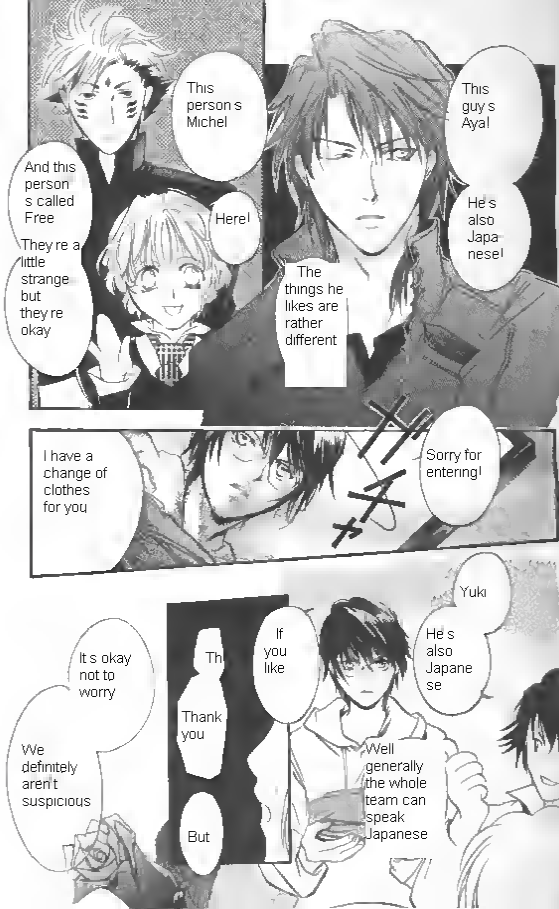
I asked their company but they also returned a vague reply
I didn't under stand what was what
Confused I telephoned my parents but wasn't connected
I became uneasy I returned to my parents origins
But
At my des tina tion I heard
RUN!
"The other day two people both died in an accident."
And so

* Uhhhhhh...!
Why was I chased?
What on earth? What woke me?
.....Father
Mother
Are you awake, Miss?
Ah!
* "Kyaaaa..."

Wh Who are you people?
I don t under stand
My father and mother are I
WAH !?
Um Sorry ?
I I don t under stand quickly spoken Japanese very well
Hey Free? What did she say? The young lady I mean

HUH. ..?
Ah, I see!
It's okay! Since it's breakfast, everything will be proper! Hot water? Supply of water? We have!?
I didn't say anything about this..
What? These people
Sh-she woke up?*
Ken!
Hey!
We should explain these circumstances!
Yep! For sure!
..Is that so?
I'm glad.

Um
This is bad but
Yes! Hot water!
You Japanese? Hungry?"
What kind of people are you?
You What on earth?
Eh?
I'm Ken! I'm Japanese!
I'm the kinda guy that loves flowers and peace and (recently) cooking!"



This person's Michel
This guy's Aya!
And this person's called Free
Here!
He's also Japanese!
They're a little strange but they're okay
The things he likes are rather different
I have a change of clothes for you
Sorry for entering!
Yuki
He's also Japanese
If you like
Th
It's okay not to worry
Thank you
Well generally the whole team can speak Japanese
We definitely aren't suspicious
But

Flower-shop...?
CHLOE!
This is merely a flower-shop!
!
Right
After you're woken, you can make sure everything's ok

This morning we were half way through our delivery route when we saw you collapse & decided to take you back w/ us

Ah! Have you finished changing?
They suit you they used to be Kenis!
Michel!
You collapse here so it is natural that you distrust us
Don't worry about it
recieving all this help
I'm so sorry ...

Kurumi
I'm called Shinjou Kurumi
Thanks for your kindness but since
everything's fine now, I can leave
Huh? Please where are you going?
Miss? Umm
If you've lost your passport you can't leave without an application
Eh? You're going already?
You can't go until your clothes are dry!
What? What?
Where are you going?
But
What should I do
Because my luggage has already been dispatched
Surely these guys have no connection with the other men that were chasing me?
It wouldn't be good to get involved

Ken~!
Kurum s leavng~!
Huh!?
You re leav ng w/ my clothes?
Ah I can send them back later
young lady
Wah!
As for today s card
The Moon is in the correct position What you are doing is dangerous And leavng
I I see
Free s tarot is abstract but it can still read the future I feel it would be good to pay attention fraeulein

In this country a passport reissue will take a minimum of 3 days to complete
In any case perhaps cards don't give the best report
Eh
わあ
わあ
Just a bit more!
I agree How would a lone woman in unfamiliar territory survive?
but it's bad so
It's busy so it would be best if we worked quickly
IF THAT'S the case...!!
You're staying here until your passport is ready! If you think that's bad, help out in the shop!
As a favour we'll let you stay at night and give you a meal!
If you're Japanese this is my law!!
OKAY!?
Yyes!
All right Right now it's delivery time
Then let's go getcha passport
Er yes!!

Look after your selves
Th thanks
Has Free left?
Yeah
Yuki
It s okay He s simply nowhere to be found
Well

First off is the preliminary test
Sorry to keep you waiting!
It's ok
Were you all right?
Yeah
I mean, yes As I expected I felt a little ill, but I'm okay now
Really! That's great!

Thanks Ken

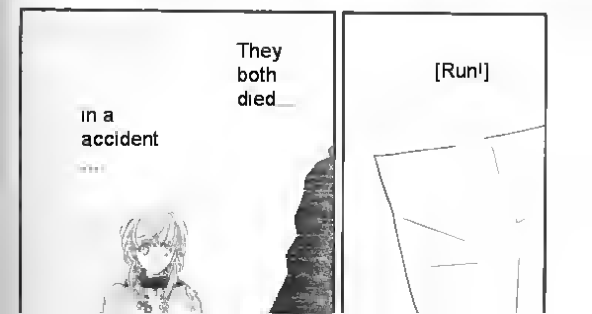
Now!
There s no particular reason you should consider us your seniors
So there s no need for honorific language
Yeah?

Yeah
Until came to this place it was only a slightly strange matter
Well you encountered a purse snatcher while en route to find your folks?

They'd be too busy with their work
...Oh. If that's the case, why didn't your parents come to welcome you?

Really

Recently anywhere is dangerous
Bes des
you worry when commun cat ion is cut off, don't you ?
Because of that they were summoned to th s laboratory
They were medical re searc hers
Quite recently it seemed as if there there was trouble there



They both died
in a accident
[Run!]

I don't believe how they died
I must be certain in my own eyes
Such precise timing is suspicious

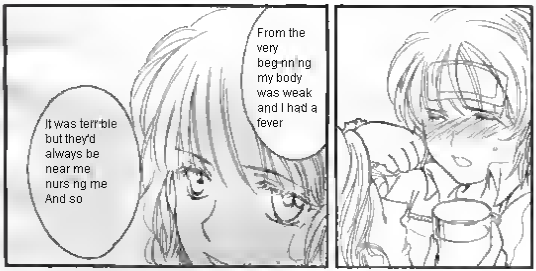
I often remember this time

[Your very existence never fails to make us happy]



That sure s a ser ous matter
A matter for your parents
Eh ?
I m a l ttle jealous
Already on long past matters
Aya and me are on our own now
And Yuk kun?
Look We separated n Japan and mutually agreed to go our own ways
Ahaha Is t mportant that you hear it?

They came to this flowershop together
Aya brought him along
Yeah It seems to be a s m-lar s tuat on
That guy s parents are already gone
Of course we met our other colleagues here
You see how d scuss n g t m ght g ve you strength?
So n any case th s s a place where lots of male help can be found

For now you'll get detailed informat on about this afterwards
Eh?
It seems like those guys who attacked you are a little ns stent
Right now run to the roadside Cars will be coming so take care
Ken?
If you run straight ahead the shop will be on your right hand side
Is that okay? Don't stop okay?
GO!!

Damn
I
hindering this long-awaited profitable time
My friend did you know it is called being unrefined?
Hand over that girl over there
You die when you turn your hand to an excess sense of justice Self righteous child

Is that so, I wonder ?
Your objective was to get that girl's belongings?
If that's so, at least
You bastards are just small fry

Thank you very much for your effort
Ken
Hurry!
Honestly Making a woman run like this
Thanks Ken using your physical strength and standard overthinking
It's okay
It's better to sleep for a while now

Kurumi-chan
Despite your own fear
you worry for Ken
She's a good child, isn't she?
Now about those two transmitters
E h ...?
What? This scent
This place

Let's listen to what Ken has to say..
Only then will we judge him
Ken let this person go
And if she asks what 'Weiß' is...?
She's unconscious
Supposing she's the carrier of a medical sample?
As for that time
Until we've killed them all
It's time we finished that business

Look Kurumi-chan
Mother
Painful isn't it? So painful
It'll be okay soon everything will be all right
Father
It's okay now
For this reason we are making this medicine
Then you'll be happy
Yes and so
For Kurumi's sake
I want to help my parents too

Those men won't fa l
So I m wa t ng
And so
I ll listen to what they say
You d dn t tell me to run alone
My luggage s safe
I mustn t fall asleep that way

I ask to torget t

I shouldn't have expected them to go to that kind ot trouble e ither
I expect it ll be better to be alone than some tool

As we thought
she's in possession of Human Interleukin-3
And the girl too?

Her parents are producing it

These men...
My mother and father, they ...!

The medical sample is still there
Wasn't that their purpose ?
Damn It would seem that the sequence is out of order
For what reason did she go? I don't understand
Well anyway let s go after them!
Then we can discover their purpose!

What the girl carried was surely the
"Human Interleukin-3" sample
Is that so?
However...
I'm a little caught up in this area
How, I'm doing a detailed inspection so we can merge once I understand
-- I under stand
Confirm location
Is this the right place?
Yeah

So Far...

Both parents had just been newly assigned to this town, Kurumi followed them and thereupon learned of both their deaths. Afterwards, strange men attacked, but some young men who run a flower shop helped her. As for her desperate memories, after a little time Kurumi opens her heart to them. However, after she overheard their conversation Kurumi got the wrong impression and thought those young men were the criminals who killed both her parents and ran from the flower shop

Hey!
I've remembered!
The gate's lock was removed!
We instantly bypassed security didn't we~?
Clever as usual
It was easier than a domino game
But playing a game of shougi with Aya is harder~!
...It's the kanji
Trabant!*

* Means 'servant' or 'comrade' in German

He will guide us to the young lady's whereabouts
Go!
– I wonder why that girl's parents entrusted the medicine to her
And why did she go away on important business after accepting it?
If that's the case,
when such an ordinary thing is sent, you verify it

Completely
That girl's parents were researchers
By betraying this company they probably saw what was right
It looks like they've been summoned on purpose

Kurumi...!
I'm so relieved you're still alive!
Father! Mother...!
That's right. You people didn't run fast enough--!

Y-you...
You're Ken's associates aren't you?

What did you do with your luggage!?
Huh!?
Kurumi!

What do you think we did!?
What on earth is your intention!?

Ah...
Ah...
I dropped it

Kurumi Shinjou?
For us, the required item is you yourself
Huh..?
Ken?
Who is this?
You often turned back, didn't you?
I welcome you, 'Human Interleukin-3'

Gah!
Gaagh!

I don't believe this.
there's swarms of them
Hmpf
It's stale. Gradually, the number of people will increase
Will the treasure ahead of us be sleeping and unknowing of our ways?
It's not pretty

Agh...
Gyaa!
Agh

Those dark apparitions were probably dazzled
Although...
...We are not that different
e broadcast to the enemy? It not pretty
I refuse. If I were to do that won't it
Chloe, you bastard, give us a little more advance warning, why don't you!?
Honestly this is great teamwork
The system password was solved
so Yuki removed all the locks for
Under-stood
This side is finished as well
Ken!
Aya!

Yuki?
What's wrong?
Aya?
The dungeon is finished too
I'm coming towards you
I understand about the medicine
Do you have anything?
Yes,
that sample is—
The target is here

Yuki!
They're still living
Yuki!?
What's wrong!?
It's a reagent chemical
This sample is not the finished product
More accurately
Human Interleukin-1 & 2 I think that through genetic engineering technology the Orson Drug lineage was constructed
But this stage is not different from the bad medicine
A reagent !?
Yeah

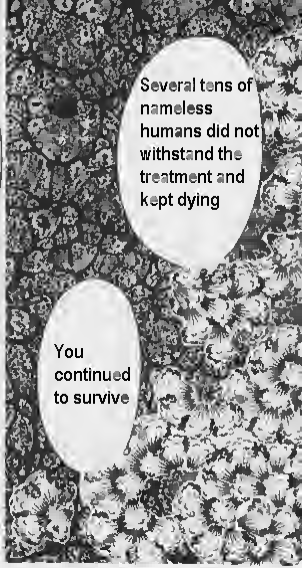
You still haven't killed
Yuki
Yuki
old man!
Under stood
Take that
By means of myself and this medicine,
you can forgef as much pain as possible, which is good, right?
Gagh

Well, after all our chasing,
"Human Interleukin-3" is—
Or, more accurately,
it's in her bloodstream
The girl

You're our greatest masterpiece
Kurumi-kun
Inside your body
the medicine crystals that your parents have spent long months and years giving you are now sufficient though still dormant
They're in your blood, aren't they?

Afterwards, all that's left to do is extract and refine that blood

Mo
ther...?



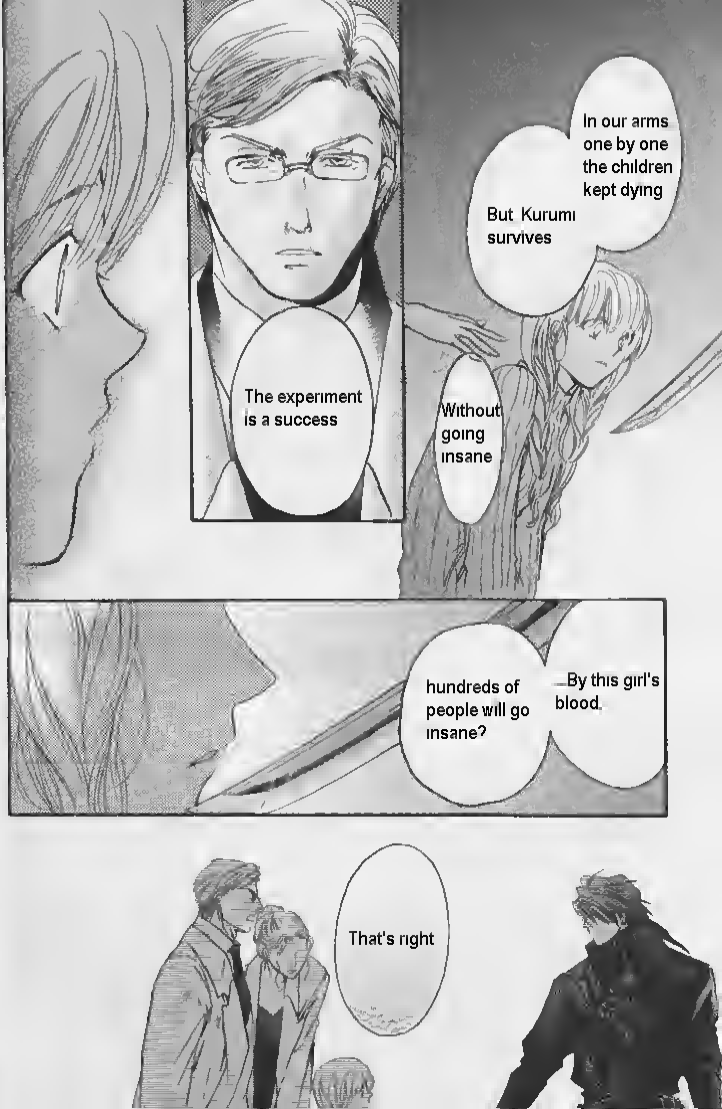
Several tens of nameless humans did not withstand the treatment and kept dying
You continued to survive

Because of that...
Was that child essential?

You people_!!
Ken

Under the name of K.B. we are the hunters of the black beasts
KB
Wh...
Shin...you Did yo~u!?
Silence
How dare...
I don't intend to listen to your howling
you came...
to...save...me?

It is regretful
You are also going to be judged
That's true
We raised this child
as a means to create Human Interleukin-3's catalyst
Father!?



In our arms one by one the children kept dying
But Kurumi survives
The experiment is a success
Without going insane
hundreds of people will go insane?
—By this girl's blood.
That's right

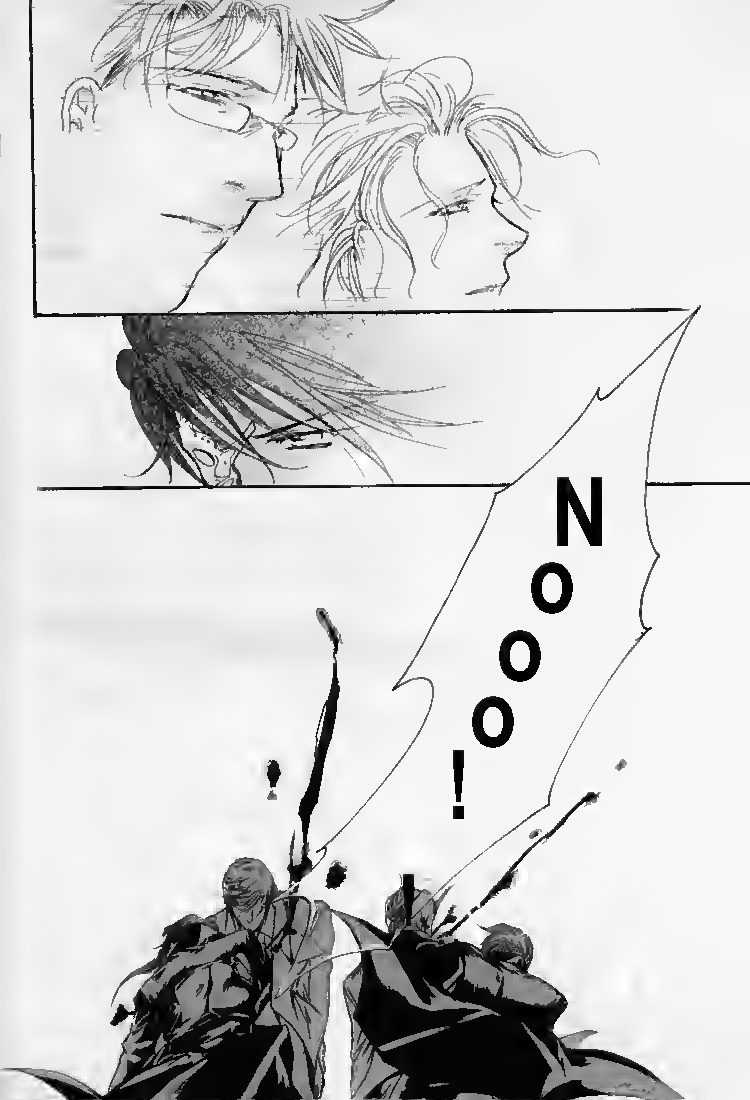
I heard it somewhere
In this country, there are those who hunt people like us...
There are shinigami...
Cutting that off,
that is our duty
Fath...
I want you to erase the people who know about this experiment and guarantee our safety
I would like to do a deal
.....

In exchange this girl will be delivered
Mother
Father
Kya!
--Under stand!!
We hunt everyone. We have said this is our occupation

However if just that girl is delivered your task is complete
Right We were simply deceiving you - it was only research
Horrible
Not
I...
If I...
Kurumi

Kurumi
If I die,
it's fine as long as you can search for other children
-- that's what you think...!?
Father!!
Mother!!

the experiment's ingredients!!
Therefore, you were only ever after
You're mistaken
They were summoned to this place
No



NOOO!

AHH
AHH
Ahh
AHHH!
AHH
AHH
Shinjou Kurumi-san
look up please

Shinjou-san
KB will accept you
huh?
Ukku
Ugh
Your body's 'Human Interleukin-3', depepending on the method can also become a medicine which saves people
If you live with us the country will guarantee the safety of that body
For the sake of our homeland's medical care research
please periodically cooperate with us
If this is unpleasant, we'll immediately send you to be with both parents

Please choose
Living or dying, at the moment you
cannot be sure which is more heartbreaking

IN DUE COURSE, WE CAN LEAVE THIS TOWN
AS FOR YUKI HERE,
HE'S TRULY SUPERIOR EVEN AMONG THEM, DON'T YOU THINK? ALISON HAS RAISED HIM AS IF HE WERE REALLY HER LITTLE BROTHER
YOU HAVE MY GRATITUDE FOR SAVING HIM
.....

..BLUE
EYES.
THE GROUP APPEARED HERE SEVERAL YEARS AGO.
THEIR ASSOCIATES ARE ONLY THE RESULT OF THIS AREA'S ROGUES AND MAFIA GATHERING HERE
FOR THE SAKE OF MONEY THEY'RE CONTROLLING THIS TOWN BY THE TERROR OF VIOLENCE AND SLAUGHTER

THOSE GUYS, THEY'RE A COLLECTION OF UNTHINKABLE WASTE!
OUR MEMBERS ALSO OFTEN GET ENTANGLED WHILE FIGHTING BACK
WELL
THIS IS WHERE THIS PERSON'S SELF-INTRODUCTION ENDS
WILL YOU INFORM US AS TO YOUR NAME?
.....

AYA! DO YOU HAVE A GUN !?
I'LL BE FINE
!
TCH! DAMN!
THEY ENTERED! YUKI! IF ANYONE ASKS, I'M GOING OVER THERE AND LEAVING THIS PLACE UP TO YOU!

IT'S A SMALL THING TO CARRY TO ENSURE YOU DON'T REPEAT YOUR STOMACH WOUND! I HAVE BUT ONE WISH
JUST IN CASE,
THERE'RE HANDGUNS IN THE BOXES IN THAT PLACE
DON'T KILL ANYONE
NOW THIS PLACE JUST BARELY KEEPS GOING WHEN IT WAS ONCE GOOD
BUT...
EVEN OUR OWN MEMBERS, HOW MANY OF THEM HAVE ALSO GONE?
THIS PLACE IS A SLUM, AND GUNFIRE IS AN EVERYDAY OCCURRENCE

IF SUCH A THING REPEATS, THIS LIFESTYLE WILL NEVER END
SO SMALL ...
RAISING THE CHILDREN HERE, WHILE CALLING UPON A GRUDGE, IS NOT GOOD
IF WE GET USED TO THIS JUST THIS ONCE,
IT IS SAID HUMANS DEGENERATE TO SUCH A DISAGREEABLE EXTENT SO QUICKLY
THAT'S WHY---
YUKI! IT'S UP TO YOU!
ALISON!

YUKI
DO YOU HAVE A MENTAL MAP OF THIS BUILIDING?
WE WILL GO TOO

Y...

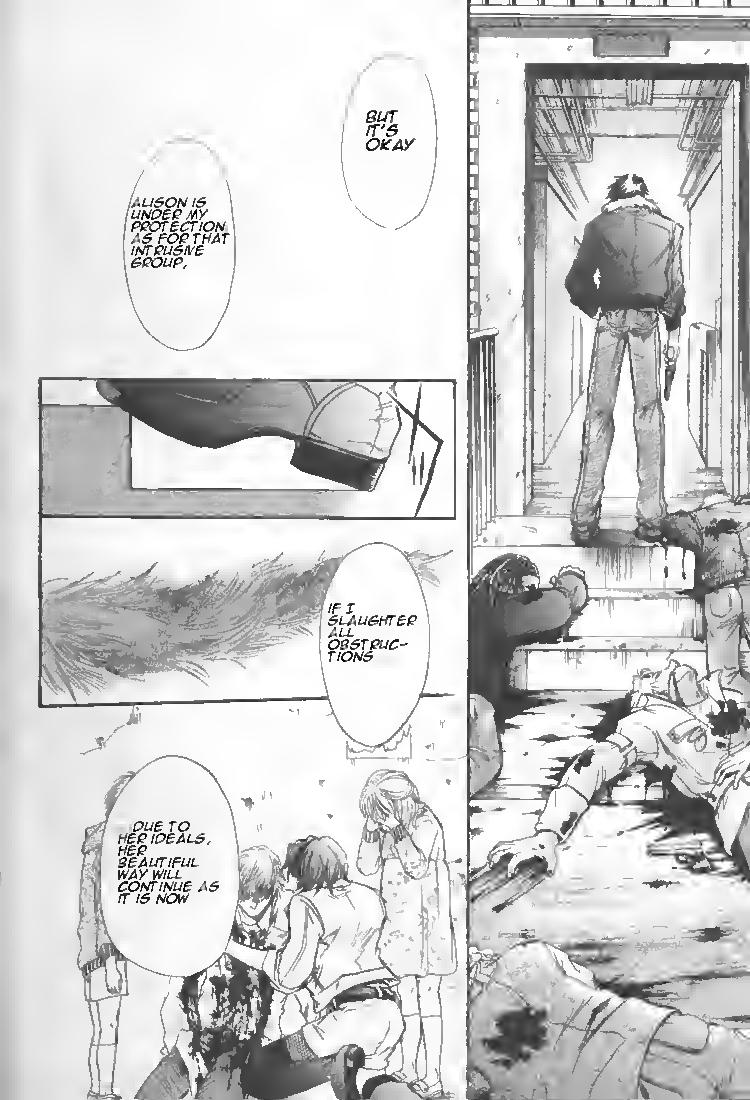
YOU BASTARD
TRULY, YOU'RE TOO NOISY
AAAGH!
.....
ALISON'S EYES ARE CLOUDED ..



BUT IT'S OKAY
ALISON IS UNDER MY PROTECTION. AS FOR THAT INTRUSIVE GROUP,
IF I SLAUGHTER ALL OBSTRUC-TIONS
DUE TO HER IDEALS, HER BEAUTIFUL WAY WILL CONTINUE AS IT IS NOW

ALISON--
あーん
LOOK, DON'T CRY!
BECAUSE THOSE GUYS MIGHT STILL BE HERE
QUIETLY STAY HIDDEN, OKAY?
I
HEY, WHAT ABOUT CHRIS!?
AND DEE, AND NICOLE
HEY, WHERE DID EVERYONE GO?
!!
BUT I'M BECOMING CERTAIN IF THEY'RE FOUND IT WILL BE THE END
THEY MUST BE WITH YUKI AND THAT OTHER MAN
QUICKLY GIVE US THAT BRAT
IT CAN'T BE...!!

DID THEY INTEND TO CONSTRUCT A BARRICADE?
DUMB KIDS
WHAT? IS THERE NO ONE HERE?
THEY'RE PROBABLY HIDING SOME WHERE. IT DOESN'T MATTER!
IT'S A STORY ABOUT THEM WAITING FOR DEATH USING ANYTHING THEY COULD GET THEIR HANDS ON
WON'T YOU TELL US WHAT'S BEYOND THIS
YEAH!?
!?
PU PU PU

POWDER...!?
WHAT'S THIS?
3
2
1!
NOW!

WE DID IT!
!
SOME TIME AGO, WHEN I SAW THEM, THERE WERE SIX OF THEM, SO THERE MUST BE FOUR NOW
HOW MANY PEOPLE REMAIN?
PERHAPS WE DID A LITTLE TOO MUCH
THOSE GUYS ARE MY .BY ME . I PLANTED MY SHARE OF THE POWDER!
DOES THAT MATTER?
YUKI!!
NII-CHAN!

WE WERE SCATTERING ROCKS. WE WERE ROLLING THEM,
AND THEY MADE AN ODD HOLLOW SOUND!
LOOK!
COOL! SO COOL! WE DID IN THE BLUE EYES GANG MEMBERS!
IN ACCORD ANCE WITH WHAT NII-CHAN SAID,
IF THEY CAME THROUGH THIS WAY, I SAID IT HAD TO HAPPEN..!
..HN,
THAT MEANS THERE'S ONLY TWO LEFT...
!!

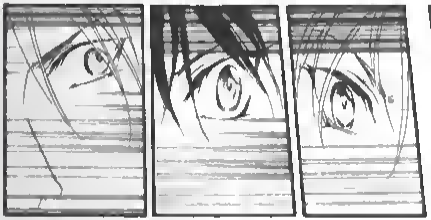
TCH
DID THEY SEAL THE ENTRANCE?
GO!
UWAGH!
AAGH!?
TO ONE AREA AND MAKE SURE YOU STAY HIDDEN

IS EVERYONE OKAY!?

ALISON!
YOU'RE ALL HERE...!
AND CHRIS
EH?
YUKI! WHERE'S AYA?
UH...

THAT
DOES AYA HAVE ONE?
YUKI
IT WAS MY EXPECTATION WHEN YOU STARTED USING A GUN
THIS IS !

IF THAT'S SO, WHY ARE THEY DEAD
WE ONLY BEATED THOSE GUYS WITH WHAT NII-CHAN SAID
YOU'RE WRONG, ALISON



DID YOU AND AYA KILL THOSE PEOPLE?

ALISON!

!!
!!
HAH! AS EXPECTED, ISN'T ORPHAN'S LEADER SAID TO BE A BABE?
HEY!
UGH ...
DON'T MOVE, OR WE'LL BEAT YOU TO DEATH!!

IF WE KILL, WE'LL KILL EVERY... ONE...
THOUGH IT SEEMS YOU ALL ARE BEGGING FOR YOUR LIVES
...SORRY...

BASTARD...
ALISON!!

WE'RE MURDERING YOU BECAUSE YOU DON'T KNOW ANYTHING
PERHAPS YOU'RE AFTER SOME COMPENSATION FOR YOUR TERRITORY BEING RUINED
TO START WITH, WE'LL BLOW HER HEAD OFF IF YOU TRY TO DO THE SAME TO US
YEAH

DID YOU THINK IT WAS A DONATION FROM US? THAT WAS THE REASON!
THE BRAT FROM YOUR PLACE STOLE OUR MONEY
DON'T YOU THINK TAKING IT WAS BAD? YEAH?
FOR NOW WE'RE INVITING ONE KID TO OUR PLACE
AFTER THAT, IF YOU'RE A HINDRANCE, HE'LL VANISH?

THAT WAS A BAD THING TO DO, WASN'T IT?
RETURN THE MONEY!
OR PERHAPS CHRIS WON'T RETURN EITHER?
WHAT? AREN'T YOU JUST PRESUMING?
YOU CRUSHED THIS PLACE WITH YOUR STRENGTH !!
RE—
RELEASE ALISON!
TA
TA
TA

YOUR HANDS ARE TREMBLING BOY
DO YOU KNOW THAT ONCE AGAIN THAT HUGE GUN WON'T HIT ME?
YUKI!
DON'T!
HEY!
YE~AH, YE AH!
PLEASE TRY!
YUKI!
...LET GO OF
A-ALI SON
YOUR BIG BROTHER'S HERE
IF YOU MOVE, I SHOOT!

...YUKI... WHY DO YOU HAVE A GUN?
ALISON...
SHE DOESN'T WANT EVERYONE TO BE SHOT, DOES SHE?
AS FOR MY BULLETS,
I HAVE NO MORE THAN ONE
BECAUSE I PROMISED ALISON I WON'T SHOOT
...ONE BULLET?
YEAH
I HAVE ONLY MY LAST BULLET

IF ALISON IS TRULY IN DANGER, I WILL DESTROY MY PROMISE
AND SO...
I'M LIVING BECAUSE ALISON IS HERE
WHY DID YOU SHOOT EVERYONE?!
IF I'VE BECOME A NUISANCE
SHOOT ME
IF MY TEAM-MATES HAVE BECOME A NUISANCE,
SHOOT THEM

YUKI!
IT'S NOT A PROBLEM FOR ME!
DON'T YOU DARE SHOOT!
YUKI!
SHOOT!
WHAT ELSE COULD I EXCHANGE?
ALISON IS VERY IMPORTANT TO ME---

AYA-NII-CHAN AND YUKI TAUGHT US. IT WAS SO COOL!!
YEAH, THAT'S RIGHT!
YOU KEPT THE PROMISE YOU MADE WITH ME! EXCELLENT!
HEY!
AYA-NII-CHAN IS OUR TEAM-MATE TOO, ISN'T HE?
THAT'S RIGHT AND I'M GLAD
PLEASE, AYA?
YEAH
IF ONLY FOR A LITTLE WHILE

AKAGAWA
...DID YOU KILL ANY ONE,
YES
AFTER THIS, I'LL PROBABLY BE INTERROGATED BY ALISON AGAIN
...BUT THERE'S NO OTHER WAY
IS THAT SO?
ALISON, YOU LOOK PLEASED

AYA-KUN, YOU SAW DIDN'T YOU?
THIS REALITY WON'T BECOME SWEET SIMPLY BECAUSE ALISON IMAGINES IT SO
IF HER IDEALS BECOME TRUE, SHE WILL NEVER LEARN TO SURVIVE
NEVERTHELESS, IF IT IS AIMED FOR EVENTUALLY, IF WE DON'T KILL, IT WON'T END

IT IS NOT OUR INTENTION FOR OUR MEMBERS TO TURN TO EVIL
IF YOU TRULY AREN'T A SPY FOR BLUE EYES, THAT'S ALL THE MORE REASON FOR YOU NOT TO BECOME ENGULFED IN THIS MASSACRE-RAMA
IF YOU WANT TO LEAVE, NOW IS THE TIME
WHAT I CAN DO IS TO SEE THIS INTENTION IS CARRIED OUT
...UNTIL THE INJURY IS HEALED.
WAIT
.....
IS THAT SO?
I ALONE MUST INVESTIGATE THAT
BLUE EYES' KNIFE WAS STABBED INTO MY CHEST

CHRIS IS NOT COMING BACK
ON A CORPSE IN HIS ROOM THERE WAS A WRITTEN INVITATION
ARE YOU GOING, ALISON?
CERTAIN DEATH AND THE DECISIVE BATTLE WITH BLUE EYES! WHAT IS ORPHAN'S AND AYA'S FUTURE...?
OF COURSE
WE'LL EXCHANGE THE MONEY FOR CHRIS
THIS TIME FOR SURE WE'LL COME TO AN AGREEMENT WITH THOSE GUYS!

[THE SENSE THAT SOMETHING HAS BEEN CAPTURED]
